Information from the Administrative Support Centre for Projects
of 9 February 2021

on: submitting applications under the bilateral exchange of scientists between the Republic of Poland and the Italian Republic "CANALETTO" organized by the National Agency for Academic Exchange.

We kindly inform you that the National Agency for Academic Exchange (NAWA) has announced a competition aimed at supporting the mobility of scientists carrying out research projects agreed and conducted jointly by partners from Poland and Italy.

The deadline for submitting applications to NAWA is 19 March 2021 at 3:00 pm.

The detailed terms of the call for proposals and the rules of applying are available on the websites:

NAWA: <https://nawa.gov.pl/nawa/aktualnosci/wspolne-projekty-badawcze-pomiedzy-polska-a-wlochami>

- CAWP: www.cawp.uj.edu.pl → „Open calls” tab → „NAWA calls”.

Call rules:

- Universities referred to in the Act of 20 July 2018 - Law on Higher Education and Science (Journal of Laws of 2020, item 85 as amended) may apply for financing the exchange.
- The project may be implemented for a maximum of 24 months, starting from 1 January 2022. The project completion date may not be later than 31 December 2023.
- The call for proposals is open only to the following subject areas:
 - mathematics, physics, chemistry,
 - space,
 - agriculture, food and a sustainable environment,
 - nanotechnology and advanced materials,
 - information and communication technologies, including those used in the area of cultural heritage,
 - medicine and health.
- **The funds that can be obtained are intended to cover the travel costs of Polish scientists to Italy and the costs of stay of Italian scientists in Poland.** On the other hand, the Italian side may obtain funds for the trip of Italian scientists to Poland and the costs of stay of Polish scientists in Italy.
- **The maximum amount of project financing from NAWA's budget is PLN 24,800.**
- NAWA considers only projects submitted simultaneously in Poland and in Italy.
- The project coordinator may be a person with a minimum doctoral degree, employed by the Applicant. It is possible to act as a coordinator in only one project in a given competition.
- Priority for funding will be given to new projects or teams that have not been funded under previous calls for proposals per country.

When assessing applications for bilateral exchange, additional criteria will be taken into account:

- participation of scientists,
- taking into account social challenges,
- effective dissemination of results,
- opportunities for cooperation with social and economic partners during or as a result of the project.
