

1027.0643.16.2021

Information of the Administrative Support Centre for Projects  
of 4 March 2021

**on: submitting applications in the call for proposals of the National Center for Research and Development under the competition 1 / 1.1.1 / 2021 - Fast track.**

We would like to kindly inform you that the National Center for Research and Development (NCBiR) has announced a call for proposals financed under the **competition 1 / 1.1.1 / 2021 - Fast track**, covering industrial research and / or experimental development works (possibly supplemented with pre-implementation works), which result is the development of an innovative solution that can be implemented in business.

Centrum Administracyjnego  
Wsparcia Projektów

The call for proposals at the NCBiR lasts **from 22 March to 4 May 2021, until 4 p.m.**

The call for proposal is divided into two rounds:

- from March 22 to April 12, 2021 at the latest. (1st round)
- from 13 April to a maximum of 4 May 2021 until 4:00 p.m. (second round)

The call for proposals in a given round of the competition will be closed when the sum of the value of co-financing in the submitted applications in a given round exceeds 500% of the allocation for the given round.

The planned funds for co-financing the projects are as follows:

- in the first round: PLN 100,000,000
- in the second round: PLN 200,000,000

The detailed terms of the call for proposals and the rules of applying are available on the websites:

- Serwis Rzeczypospolitej Polskiej: [www.gov.pl/web/ncbr/konkurs-11112021-szybka-sciezka](http://www.gov.pl/web/ncbr/konkurs-11112021-szybka-sciezka)
- CAWP: [www.cawp.uj.edu.pl](http://www.cawp.uj.edu.pl) → „Open calls” tab → „MEiN calls”.

**Please read the information related to the preparation of the application:**

- The call is open to companies and research units registered and operating in Poland, which are members of the consortium, but the consortium must include at least one enterprise and at least one research unit.
- Only an enterprise can be a consortium leader. A consortium may consist of up to three entities.
- Each consortium participates in the implementation of industrial research or experimental development works.
- The condition for receiving a grant is the implementation of the results of industrial research and experimental development works within three years from the completion of the project.
- According to the rules of the competition, the project may be implemented only in less developed regions, which, according to the definition contained in the competition regulations, include all provinces except Masovian District (more developed region).
- The project co-financed in the call must be part of at least one National Smart Specialization (KIS) - the list of KIS can be found on the call website in the "Documents" tab - [www.gov.pl/web/ncbr/konkurs-11112021-bezpieczka-sciezka](http://www.gov.pl/web/ncbr/konkurs-11112021-bezpieczka-sciezka)
- The project can be implemented until 31 December 2023.

### Form of submitting applications:

The application should be prepared and then submitted only in electronic form in the LSI system. The application should be accompanied by attachments in the form of a scan of a hand-signed document or a document bearing a qualified electronic signature. Detailed rules for filling in and submitting the application are set out in the Application Submission Instructions and the LSI System Application Submission Instructions.

In connection with the above, the application in electronic form should be sent only after obtaining the approval of the University authorities on the final version of the application. Information on approval of the application by the JU authorities will be provided by the call supervisor at CAWP.

### JU Internal Regulations:

Pursuant to the JU Vice-Rector's Regulation No. 56 of 11 July 2016 on: *Regulations for the preparation and implementation of projects financed from external sources at the Jagiellonian University*, units/persons interested in participating in the call, please submit to CAWP:

- **by 24 March 2021 (for Round I) and 15 April 2021 (for Round II)** to Mr. Tomasz Guzik, tomasz.d.guzik@uj.edu.pl, phone: 12 663 38 52:

- draft agreement prepared by the leader of the consortium,

- **by 30 March 2021 (for Round I) and 21 April 2021 (for Round II):**

- **a draft version of the application** containing information on the JU tasks, the planned budget for the JU part, taking into account the categories of expenses and the assumed indicators (electronic version sent in the form of a PDF file to the address of the call supervisor at CAWP),
- Research Project Notification form and VAT Eligibility Form, completed and submitted in the electronic system, Strefa Projektów UJ available at: <https://strefaprojektow.uj.edu.pl/>

Instructions for filling in the forms are available at: <https://cawp.uj.edu.pl/strefaprojektow>,

- **by 7 April 2021 (for Round I) and 27 April 2021 (for Round II): the final version of the application** with the JU tasks (electronic version sent as a PDF file with qualified signature or approval by e-mail or in the form of a scan with signatures)

- required signatures: Principal Investigator on the JU part and Head of the unit where the project will be implemented (i.e. the Dean of the Faculty or as appropriate to the specificity of the unit).

If you have any questions or concerns regarding the preparation of the application, please contact the call supervisor at CAWP: Ms. Anna Dryja, [anna.dryja@uj.edu.pl](mailto:anna.dryja@uj.edu.pl), phone: 12 663 38 43.

In all questions concerned the employment and remuneration within the projects applications please contact Ms. Kamila Balicka, phone: 12 663 38 89, [kamila.balicka@uj.edu.pl](mailto:kamila.balicka@uj.edu.pl).

However, in the case of issues related to the implementation of the project results, please contact the CTT CITTRU Brokers (competent for your Faculty).
