In relation to the submission of the research project funding proposal entitled: ..... by the Parties of the Agreement to the National Science Centre (hereinafter: "NCN") ID number ..... in the call ..... on behalf of ..... I undertake, upon having received a positive decision granting funds to finance the research project by the NCN and before signing the research project funding agreement for the implementation and financing of a research project (hereinafter: "Funding Agreement"), to conclude a detailed Cooperation Agreement agreed on its content (hereinafter: "Cooperation Agreement"), regulating the principles of cooperation of the Parties to the Cooperation Agreement as part of the implementation of the aforementioned project.

The Cooperation Agreement shall cover in particular the provisions regulating:

I declare that I am aware that the condition for signing the Funding Agreement is to agree between all interested Parties to the Cooperation Agreement on its content and to conclude the Cooperation Agreement before the deadline for concluding the Funding Agreement . Failure to meet the above conditions is tantamount to the decision of the Parties to the Cooperation Agreement requesting for financing the project to withdraw from the implementation of the project, and thus withdraw the authorisation of the Leader to sign the Funding Agreement.

On the date of expiry of the deadline for concluding the Funding Agreement , the Cooperation Agreement for the proposed research project, attached to the proposal with the ID number ....., ceases to have effect. Furthermore, I declare that in the event of failure to reach the joint implementation of the project, I will not make any claims against other Parties to the Cooperation Agreement.
