**COMMUNICATION  
BY JAGIELLONIAN UNIVERSITY  
VICE-RECTOR FOR RESEARCH  
of 4 February 2022**

**on: submitting applications for financing projects aimed at popularising science or promoting sport and projects related to the maintenance of library resources for the years 2022-2024 under the "Social Responsibility of Science" programme of Ministry of Education and Science.**

*I would like to kindly inform you that the Communication of the Minister of Education and Science of 31 January 2022 on the call for proposals for the Social Responsibility of Science programme in connection with the Communication of the Minister of Science and Higher Education of 3 July 2019 on the establishment of the Social Responsibility of Science programme and the call for proposals, as amended, has been published.*

The aim of the programme is to support the higher education and science system entities and other organisational units, acting for the benefit of popularisation of science, in the implementation of projects aimed at popularising science or promoting academic sports and projects related to the maintenance of library resources of significant importance to science or its heritage.

Grant applications may be submitted in the scope of **two modules**:

1. **"Popularisation of science and promotion of sport"** - under which the implementation of projects consisting in:

- a) popularising scientific achievements, the work of scientists, research and development works as well as promoting science,
- b) organisation of projects showing the usefulness of scientific knowledge in an accessible way,
- c) organisation of projects aimed at popularising the traditions of the academic community,
- d) organisation of projects promoting and supporting academic sport,
- e) popularising innovative solutions in science and higher education

will be supported.

2. **"Support for research libraries"** - under which the implementation of projects consisting in the maintenance of library resources of significant national importance for science or its heritage, their development and accessibility in an electronic form will be supported.

**As part of the call, the university applicant may submit no more than 5 applications within module 1, and 2 applications within module 2.**

The deadline for submitting applications is **18 March 2022**.

The conditions and rules for applying in the call for proposals are available on the following websites:

- Ministry of Education and Science: <https://www.gov.pl/web/edukacja-i-nauka/spoleczna-odpowiedzialnosc-nauki>
- CWN: [www.cwn.uj.edu.pl](http://www.cwn.uj.edu.pl) "Open calls" tab → "Ministry of Education and Science calls"

General terms of applying:

- The condition for participation in the programme is to submit an application that meets all of the following conditions:

- the project implementation period does not exceed **24 months**;
  - the project does not include activities financed from other funds from the state budget;
  - the applicant's own contribution is 10% of the project implementation costs.
- The amount of co-financing from the Ministry (90%) for the implementation of a single project under individual modules is:
    - "Popularisation of science and promotion of sport" - from PLN 20,000 to PLN 1,000,000;
    - "Support for scientific libraries" - from PLN 20,000 to PLN 250,000.

JU Internal regulations:

Due to the fact that as part of the call, the university may submit a **maximum of 5 applications in the module 1, and 2 applications in the module 2**, please submit declarations regarding the application in the call for proposals prepared in accordance with the templates constituting Annexes 1 or 2 to this Communication **by 16 February 2022**.

For applications concerning both modules, Faculties/Units decide on the scope of the application, taking into consideration that **it is possible to propose only 1 application by each Faculty/Unit for each module**.

Proposal proposals signed by the Head of the organisational unit (i.e. Dean, Director/Head of another organisational unit) may be submitted in an electronic form (document signed with an electronic qualified signature or as a scan of a handwritten signed proposal along with an editable version).

- JU unit submits to the CWN call assistant one application for each module indicated by the Head of JU organisational unit (Dean, Director/Head of another organisational unit).
- JU MC submits one application for each module indicated by the Head of JU Medical College organisational unit (Dean, Director/Head of another organisational unit) to the call assistant in the Science Department [SD] of JU MC.

On the basis of your declarations, JU Authorities will decide on the further procedure for processing applications. The call assistants at the CWN and at the SD of JU Medical College will inform you about the decision of JU Authorities.

Should JU or JU MC units fail to submit declarations of participation in the programme by the aforementioned deadline or should the JU Authorities fail to select project proposals, another deadline for submission of declarations of participation in the "Social responsibility of science" programme will be set.

After providing information on the applications selected for further processing:

1. In the case of the applications from JU units:

The CWN call assistant will contact a representative of the selected project unit in order to set individual deadlines for submitting project documents (i.e. Research Project Submission Form and VAT Eligibility Form, as well as the draft and final application form).

**The Research Project Submission Form and the VAT Eligibility Form** should be completed in the electronic system of **Jagiellonian University Project Zone** (Strefa Projektów UJ) available at: <https://strefaprojektow.uj.edu.pl/>.

2. In the case of applications from JU Medical College units:

The SD call assistant will contact the representative of the Faculty/Unit in order to set individual deadlines for submitting project documents.
