

UNIWERSYTET JAGIELLOŃSKI  
W KRAKOWIE

Prorektor ds. badań naukowych

**1027.0643.24.2022**

**COMMUNICATION  
BY JAGIELLONIAN UNIVERSITY  
VICE-RECTOR FOR RESEARCH  
of 4 April 2022**

**on: submitting funding proposals in the 13th call in the LIDER programme.**

This is to inform you that the National Centre for Research and Development (NCBR) has announced a call for proposals in the 13th call in its programme LIDER.

The programme seeks to develop young researchers' skills in independent planning of research and management of their own research team in projects showing prospects of practical application and implementation potential.

**The programme is addressed to persons who:**

1. are doctoral students or academic teachers – and hold no doctoral degree or have held doctoral degree for up to 7 years (this period does not include maternity leave, adoption leave, paternity leave, parental leave or child-care leave, periods of receiving sick pay or rehabilitation benefit on account of incapacity to work. This period is counted from the date of taking the degree of doctor.
2. are authors of publications in renowned journals or have patents or implementations to their name,
3. have not participated in the programme LIDER in the role of principal investigator,
4. have Polish citizenship or a Polish residence permit or are EU citizens who stay in the Republic of Poland for more than 3 months and their stays has not been registered.

The call for proposals at the NCBR opens on 23 May 2022 and it closes on 30 June 2022 at 16:15.

**Terms and conditions of applying in the call are available on the websites:**

- NCBR: [www.gov.pl/web/ncbr/lider-xiii](http://www.gov.pl/web/ncbr/lider-xiii)
- RSC: [www.cwn.uj.edu.pl](http://www.cwn.uj.edu.pl) under tab "Open calls" "National Centre for Research and Development"

**Basic information on the projects:**

- The applicant submit their access in the programme together with an entity that is a research organisation (public or private) doing research or development work.
- Proposals submitted in the call may address subjects in all research domains: natural sciences, engineering and technology, medical and health sciences, agricultural sciences, social sciences and humanities.
- The minimum and maximum period of project implementation are 12 months and 36 months respectively.
- Maximum funding per project is PLN 1.5 million.
- Indirect costs constitute 25% of funding and apply to categories: salaries and other direct costs.
- The cost of purchase or construction of equipment/appliances used for research purposes will be considered eligible as long as the asset is essential to proper

performance of the project and is used directly in its implementation, and as long as the following conditions are met:

- value of the equipment, IT infrastructure or other equipment does not exceed PLN 500,000,
- the entity has no equipment/fixed asset that could replace it.
- Basic data of the entity (JU) required for the completion of the proposal are available on the website of the [www.cwn.uj.edu.pl/projekty/dla-wnioskujacych/dokumenty](http://www.cwn.uj.edu.pl/projekty/dla-wnioskujacych/dokumenty)

### Proposal submission at the NCBR:

The proposal alongside annexes as required shall be sent in electronically by the principal investigator in the project by means of the system LSI <https://lsi.ncbr.gov.pl/login.php>. **The link to the system will be activated on 23 May 2022.** The proposals should be supported with annexes in the form of a scan of the document with a handwritten signature or a document signed with a qualified electronic signature. The terms of completing and submitting the proposal have been specified in detail in the document *Guidelines for proposal submission in the LSI system*.

### JU internal regulations:

Pursuant to the Ordinance no 56 of JU Rector 11 July 2016 on: *The procedure for drawing up and implementing projects funded from external sources at Jagiellonian University* persons interested in entering the call are asked to deliver to the RSC:

- **by 14 June 2022:**
  - a research project entry form and a VAT eligibility form, filled out and submitted in the electronic system **JU Project Zone** at: <https://strefaprojektow.uj.edu.pl>
  - draft version of the proposal (electronic version of the proposal in the form of a pdf file sent to the address of the call assistant at the RSC),
- **by 27 June 2022**, the final version of the proposal alongside the required annexes (electronic version sent in as a pdf file signed with a qualified electronic signature or a pdf without signatures supported with an email declaration of its acceptance, or a scan of the hard copy with handwritten signatures) – signatures required: The principal investigator in the project and the head of the host entity (i.e. Dean or Director/Head of other organisational entity).

The proposal may be electronically submitted in the LSI system only once the approval by JU authorities have been secured. The proposal, signed by JU authorities will be sent to you to email addresses you have named by the call assistant at the RSC. The proposal must be sent in via LSI on 30 June 2022, 16:15 at the latest.

With queries regarding drawing up and submitting the proposal please contact the call assistant at the RSC, Ms Anna Dryja, [anna.dryja@uj.edu.pl](mailto:anna.dryja@uj.edu.pl), phone no: 38 663 12 43.

In matters regarding employment and remuneration in the prepared projects, please contact Ms Aleksandra Weiss, phone 12 663 38 73, [aleksandra.weiss@uj.edu.pl](mailto:aleksandra.weiss@uj.edu.pl).

In the case of queries concerning the application of project results, please contact CTT Brokers of CITTRU (appropriate for your host entity).
